Enactment of this legislation appropriates \$1.5 million ongoing beginning in FY 2023 and \$3.0 million one-time in FY 2023 from the General Fund to the Utah Medical Education Council to provide grants for residency positions, and it appropriates \$480,000 ongoing beginning in FY 2023 from the General Fund to the council to provide grants for a forensic psychiatric fellowship program. Enactment could cost the council approximately \$600 one-time in FY 2023 from the Education Fund to set up the grant programs and to fulfill reporting requirements. The council indicates that it can absorb these costs. Enactment repeals the residency grant program on July 1, 2027.

**Notes on Notes**

Fiscal notes estimate the direct costs or revenues of enacting a bill. The Legislature uses them to balance the budget. They do not measure a bill's benefits or non-fiscal impacts like opportunity costs, wait times, or inconvenience. A fiscal note is not an appropriation. The Legislature decides appropriations separately.
